

Prospective Costs Document

Retirement Villages Act 1999 (Section 75)

ABN: 86 504 771 740

This form is effective from 1 February 2019

Name of Village: Villa La Salle

Important information for the prospective resident

The *Retirement Villages Act 1999* requires a retirement village operator to provide a Prospective Costs Document to a person at least 21 days before the operator and the person enter into the contract.

The Prospective Costs Document refers to a specific unit in the retirement village and gives details about:

- The costs of entering this retirement village
- The current ongoing costs of living in this retirement village
- The estimated costs you will pay if you leave this unit after 1, 2, 5 and 10 years of residence
- The estimated exit entitlement you will receive if you leave this unit after 1, 2, 5 and 10 years of residence.

The operator may request information from you to assist with preparing a Prospective Costs Document for the specific accommodation unit you are interested in. The operator is required to give the Prospective Costs Document to you within 7 days of you supplying this information.

It is important that you understand the information in this document and its implications for you as a resident. It is not a substitute for reading the full terms of your residence contract and seeking independent legal advice.

By law, you must have a copy of your residence contract, Village Comparison Document, Prospective Costs Document for your contract, the village by-laws and any other required documents for at least 21 days before you and the operator enter into the residence contract.

If there is a change, other than a minor change as defined in the Act, in any of the information in these documents, the operator must give you details of the change 21 days before you enter into the contract.

This is to give you time to read these documents carefully and seek professional advice about your legal and financial interests. You have the right to waive the 21 day period if you get legal advice about the residence contract from a Queensland lawyer.

If you sign a residence contract, you have a 14 day cooling-off period, after both parties have signed the contract, should you change your mind. If you withdraw from the residence contract during the cooling-off period, you are entitled to immediately receive a full refund of any ingoing contribution that you paid.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract – there are different types of contracts and they can be complex
- Find out the financial commitments involved – in particular, you should understand and consider ongoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement villages.
 - The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.qls.com.au or phone: 1300 367 757.

Part 5– Exit fee, reinstatement of Unit and other exit costs - when you leave the Unit

On termination of your residence contract and leaving the Unit, the following exit fee and other exit costs will be payable to the operator. This exit fee is also referred to as a 'deferred management fee' (DMF).

5.1 Do you pay any exit fee when you leave the Unit?

Yes No

5.2 Exit fee for the Unit is:

Time period from date of occupation of your Unit to the date you cease to reside in your Unit	Exit fee calculation based on:	Exit fee payable
1 year	6% of your ingoing contribution	\$.....
2 years	12% of your ingoing contribution	\$.....
3 years	16% of your ingoing contribution	\$.....
4 years	20% of your ingoing contribution	\$.....
5 years	24% of your ingoing contribution	\$.....
6 years	28% of your ingoing contribution	\$.....
7 years	30% of your ingoing contribution	\$.....
8 years	32% of your ingoing contribution	\$.....
9 years	34% of your ingoing contribution	\$.....
10 years	34% of your ingoing contribution	\$.....

Note: if your period of occupation is not a whole number of years, your exit fee will be worked out on a daily basis.

The maximum (or capped) exit fee is 34% of your ingoing contribution – i.e. \$.....[insert] - after 9 years of residence.

The minimum exit fee is 1 day/365 days (1 day/366 days in a leap year) of 6% of your ingoing contribution – i.e. \$..... [insert] - if the period of occupation is 1 day.

Your exit fee is calculated depending in the period from the date of your residence contract until you cease to reside in the unit or, if your relative (within the meaning of the *Retirement Villages Act 1999 (Q)*) resides in the unit under section 70B (2) of that Act, the sooner of the day your relative vacates the unit or the day that is three months after your right to reside under the residence contract is terminated.

For simplicity, this document assumes that this period for calculating your exit fee commences on your date of occupation of the unit and ceases when you cease to reside in the unit. However, this is subject to the terms of your residence contract and the *Retirement Villages Act 1999 (Q)*.

Also refer to the estimated exit entitlement table in Part 6

<p>5.3 Reinstatement costs for the Unit when you leave include:</p>	<p><input checked="" type="checkbox"/> All costs of replacement and repairs reasonably necessary to return your Unit to the condition it was in when you moved in, apart from fair wear and tear and any reinstatement works or changes to the condition of the Unit carried out with the agreement of the operator and resident</p> <p><input type="checkbox"/> No requirement for reinstatement of the Unit</p>
<p>5.4 Renovation costs for the Unit when you leave are:</p>	<p><input type="checkbox"/> % of any renovation costs payable by you, based on the same proportion you are to share in any capital gain on the sale of your Unit under your residence contract</p> <p><input checked="" type="checkbox"/> No renovation costs</p>
<p>5.5 Sale costs for the Unit (incurred by the operator in selling the right to reside in the Unit) include:</p>	<p><input type="checkbox"/>% of the agreed marketing and advertising costs, currently approximately \$</p> <p><input checked="" type="checkbox"/> 100% of the legal costs, currently set at \$250.00</p> <p><input type="checkbox"/>% of valuer's fee (if you and operator cannot agree on resale value)</p> <p><input type="checkbox"/> other <i>[specify]</i></p> <p>Note: The sale costs must be based on the actual costs for the sale of your Unit and is allocated in the same proportion as you and the operator share the gross incoming contribution on the sale of the right to reside under your residence contract. If you engage a real estate agent to sell the right to reside in the Unit you must pay the real estate agent's costs and commission.</p>
<p>5.6 Ongoing charges after vacating your Unit and until the right to reside in the Unit is sold to the next resident are:</p>	<p><input checked="" type="checkbox"/> General Services Charge and Maintenance Reserve Fund contribution at full rate for 90 days unless the right to reside in the Unit is sold earlier currently \$..... <i>[insert]</i> per day billed monthly in advance on the seventh day of the month for that month.</p> <p><input checked="" type="checkbox"/> From 90 days up to 9 months after leaving your Unit unless the right to reside in your Unit is sold earlier, you and the operator pay the General Services Charge and Maintenance Reserve Fund contribution in the same proportion as you and the operator share the gross incoming contribution on the sale of the Unit.</p> <p><input checked="" type="checkbox"/> Personal services charge until 28 days after termination of your right to reside in the Unit due to your death</p> <p>OR</p> <p><input checked="" type="checkbox"/> Personal services charge until:</p> <p>(a) unless paragraph (b) below applies – the expiry of the notice period for a notice of termination of the residence contract given by the resident or the Village Operator; or</p> <p>(b) if a notice period referred to in paragraph (a) above is extended – 14 days after the end of the extended notice period.</p>
<p>5.7 Other exit costs that you may need to pay include:</p>	<p><input type="checkbox"/> Other costs <i>[specify]</i></p> <p><input checked="" type="checkbox"/> None</p>

Part 6 – Exit entitlement for license unit

An exit entitlement is the amount the operator may be required to pay you under your residence contract after your right to reside is terminated and you leave the unit.

<p>6.1 How is the exit entitlement which the operator will pay you worked out?</p>	<p>The exit entitlement is equal to your ingoing contribution:</p> <ul style="list-style-type: none"> - <u>Less</u>: the exit fee (see item 5.2) - <u>Less</u>: the cost (if any) of reinstatement work - <u>Less</u>: any accrued or outstanding General Services Charges, Personal Services Charges and Maintenance Reserve Fund Contributions - <u>Less</u>: any legal fees incurred by the Village Operator in relation to the termination of the residence contract - <u>Less</u>: any other amount payable by you pursuant to your residence contract or the <i>Retirement Villages Act 1999 (Q)</i>. <p>Refer to table over page for estimated exit entitlements.</p>
<p>6.2 Capital gain – Will you be entitled to share in any capital gain on your unit (if the next resident pays a higher in-going contribution than you paid)?</p>	<p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
<p>6.3 Capital loss – Will you be required to share in any capital loss on your unit (if the next resident pays a lower in-going contribution than you paid)?</p>	<p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
<p>6.4 When is the exit entitlement payable?</p>	<p><input checked="" type="checkbox"/> From 90 days after you provide vacant possession of the unit (where you have been admitted as a permanent resident into a Residential Aged Care Facility operated by St Vincent’s Care Services Ltd and there is no other person to legally reside in the unit) to 9 months after your residence contract terminates, unless your Unit is resold earlier. If this happens you will be paid your exit entitlement within 14 days after the settlement of the sale of the right to reside to the next resident or the operator.</p> <p>Note: By law, your exit entitlement must be paid to you by the operator no later than 18 months after the termination date of your residence contract, even if the right to reside in your unit has not been resold, unless the operator has been granted an extension for payment by the Queensland Civil and Administrative Tribunal (QCAT). An operator is entitled to see the probate or letters of administration before paying the exit entitlement of a former resident who has died.</p>

Part 7 – Estimated resident exit entitlements when resident exits after 1, 2, 5 and 10 years of residence

The estimated refund does not include amounts for outstanding General Services Charge, Maintenance Reserve Fund contribution or personal services charges, if applicable. These amounts may further reduce your estimated exit entitlement payment.

Total estimated exit entitlement payable to resident (no later than 18 months after termination of residence contract - refer to Item 6.4 for details)	\$	\$	\$	\$

*The estimated resale price / next ingoing contribution for the Unit is based on the operator's estimate of N/A% annual capital growth on the market value of the Unit OR
The estimated resale price / next ingoing contribution for the Unit is based on factors other than or in addition to the market value of the Unit
The operator does not warrant that the resale prices or next ongoing contribution used in the calculation estimates will in fact be achieved at the time of resale / next ingoing contribution.
Actual reinstatement costs will be subject to entry and exit condition reports at the time of termination.
