

Auburn

At St Vincent's Care Services, we make you the priority.

Our Auburn community offers an inviting retirement lifestyle in Sydney's west, with the convenience of being within walking distance of local shopping and public transport.

With us, you will enjoy the best balance of independence and support, with our residential living, independent living and community living services all available within the same location.

You will also benefit from having access to specialist clinical services. Our Auburn community is co-located with St Joseph's Hospital and features a secure dementia unit, designated beds for residents with complex health needs and a purpose-built unit for residents with Huntington's disease.

On-site features and services include:

- Regular social events, concerts and outings
- Landscaped courtyards and gardens
- Spacious barbeque and entertainment area
- Various community and activity rooms
- Library and reading room
- Wi-Fi internet access in common areas
- Hairdressing salon
- On-site chapel with regular Catholic and multi-denominational services.

We respect your unique care needs and lifestyle goals, and look forward to working closely with you to find the combination of services that's right for you.

CARE SERVICES**

A SERVICE OF ST VINCENT'S HEALTH AUSTRALIA

Residential Living | Community Living | Independent Living

About St Vincent's Care Services

St Vincent's Care Services is a leading and trusted provider of aged care and retirement services in Queensland, New South Wales and Victoria. As part of St Vincent's Health Australia – the nation's largest Catholic health and aged care provider – our residents and clients have access to an extensive, world-class health network.

Residential Living

Our residential living facility (historically known as St Joseph's Village) provides exceptional care within fully serviced accommodation, where our experienced staff ensure residents feel welcome, valued and safe.

Your spacious room will include a private or shared ensuite with garden views. Some rooms also feature private balconies. Heating and cooling, including air-conditioning, is provided throughout the facility.

Additional key features include:

- Diverse care options, including low care, high care, specialist dementia care, palliative care, respite care and care for complex conditions (including Huntington's disease)
- Registered nurses and carers on duty 24-hours-a-day
- Professional hotel services including full catering, laundry and cleaning
- Extensive leisure and lifestyle programme
- Well-appointed, comfortable and welcoming common areas
- Personal telephone and internet access (additional costs apply)
- Flexibility to choose your own GP or we can arrange one for you
- Access to visiting specialist allied health professionals, including physiotherapists, dentists, dieticians and podiatrists.

Independent Living

Our independent living apartments offer a comfortable, maintenance-free retirement lifestyle within a welcoming community.

With us, you will enjoy fully self-contained, one- or two-bedroom, private accommodation, with the comfort and security of on-site services. All of our residences are furnished to a high standard and feature quality finishes, air-conditioning and a 24-hour emergency call system with pendants.

In addition to participating in events organised by the active social committee, you can take advantage of our extensive shared facilities and activities, as well as our community living services. Then, if the time comes when you need additional care, you will be given priority access to our co-located residential living accommodation (subject to availability and care requirements).

Community Living

Our community living services are available throughout Sydney and provide valuable assistance within your own home to help you maintain your lifestyle and independence. We can lend a hand with day-to-day chores, help you manage your medication, or simply share a cup of tea and an enjoyable chat. If there's a hobby or activity you're passionate about, we can help keep that passion alive. Tell us what support you're looking for and we'll work with you to develop a customised program.

Should the time come when you need additional care, we would be pleased to welcome you to our St Vincent's Care Services Auburn residential living community (subject to availability and care requirements).
