Our History

St Vincent's has been an important part of the Toowoomba community for more than 90 years. St Vincent's Private Hospital Toowoomba was established by the Sisters of Charity in 1922 and is the largest acute private hospital on the Darling Downs.

In 1958, Bishop Brennan appointed Dean Michael to travel throughout the Diocese raising funds to build an aged home. The Canossian Daughters of Charity, who had similar aims as the Irish Sisters of Charity, were involved with the planning and design, and agreed to manage Lourdes Home when it opened in 1963.

The legacy of the Canossian Sisters, Bishop Brennan and the home's important place in Toowoomba's history continues to be revered and recognised.

Community Living

Our community living services provide valuable assistance within your own home to help you maintain your lifestyle and independence. We can lend a hand with day-to-day chores, help you manage your medication, or simply share a cup of tea and an enjoyable chat. If there's a hobby or activity you're passionate about, we can help keep that passion alive.

Tell us what support you're looking for and we'll work with you to develop a customised program. Our community living team is located at our Toowoomba facility, with combined programs providing clients and residents with opportunities to connect and socialise.

Should the time come when you need additional care, we would be pleased to welcome you to our St Vincent's Care Services Toowoomba residential living community (subject to availability and care requirements).
