

# Werribee

## At St Vincent's Care Services, we make you the priority.

Our Werribee community offers a relaxing and supportive lifestyle, within a centrally located and beautifully furnished facility.

Co-located with St Vincent's Private Hospital Werribee and public health services, our residents enjoy peace of mind with access to expert clinical care if required. The location is also well-served by transport links and nearby shopping, entertainment and medical services.

Our focus is on providing the best balance of independence and support in a stimulating and caring environment, where staff ensure residents, their families and friends feel welcome, valued and safe.

On-site features and services include:

- Regular social events, activities, concerts and outings
- Comforting common areas with fireplaces
- Tranquil gardens and central courtyard
- Community and activity rooms
- Private dining room
- Wi-Fi internet access in common areas
- Hairdressing and beauty services
- Coffee shop on campus
- Chapel with multi-denominational services.

We respect your unique care needs and lifestyle goals, and look forward to working closely with you to find the combination of services that's right for you.

A SERVICE OF ST VINCENT'S HEALTH AUSTRALIA

Residential Living

# About St Vincent's Care Services

St Vincent's Care Services is a leading and trusted provider of aged care and retirement services in Queensland, New South Wales and Victoria. As part of St Vincent's Health Australia – the nation's largest Catholic health and aged care provider – our residents and clients have access to an extensive, world-class health network.

## Residential Living

With us, you will receive exceptional care within safe, inviting, fully serviced accommodation.

Whether you require mobility assistance, support to manage or recover from an illness, or round-the-clock nursing care, our team of qualified and experienced nursing and care staff are here for you.

Your spacious private room will include high-quality furnishings, a private ensuite, a flat screen TV, telephone and Wi-Fi internet access.

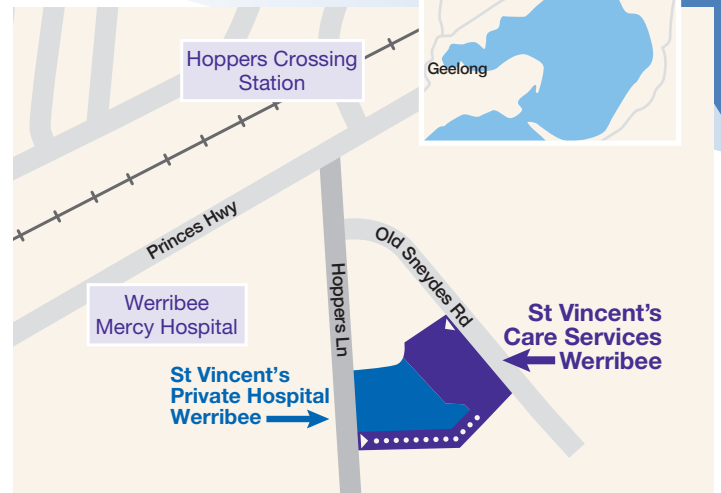

Additional key features include:

- Diverse care options, including low care, high care, dementia care, palliative care and respite care
- Registered nurses and carers on duty 24-hours-a-day
- Professional hotel services, including full catering, laundry and cleaning
- Extensive leisure and lifestyle program
- Personal telephone and internet access (additional costs apply)
- Flexibility to choose your own GP or we can arrange one for you
- Access to visiting specialist allied health professionals.

## Specialist dementia support

Our specialist dementia community focuses on enhancing the lives of our residents living with dementia and other cognitive impairments. All elements of the community – from our model of care to the building design and layout – are designed to provide comfort and security, and encourage cognitive function and independence.

Residents have exclusive access to specialist activity programs, a welcoming communal lounge and dining room, as well as a peaceful and beautifully landscaped private courtyard.

## Our staff

Our services are founded on a long heritage of caring, and our staff live our values of compassion, justice, integrity and excellence every day. They are dedicated and skilled, and are the reason we can deliver great service and exceptional, research-driven, evidence-based care.

Our Werribee facility is staffed by registered nurses, carers, leisure and lifestyle co-ordinators, catering and hospitality staff, and friendly on-site management, administration, cleaning and maintenance teams.

## Leisure and lifestyle

At St Vincent's Care Services, our leisure and lifestyle program is a key part of our holistic approach to ensuring a high quality of life for all our residents in our facilities. We offer an extensive range of activities, which are delivered by qualified practitioners and tailored to meet your personal preferences and areas of interest. These activities range from fitness classes, interactive games, horticulture programs, and arts and crafts, to social activities and outings. Our focus is on keeping your mind active and supporting your health and fitness.
