

## St Vincent's Care Services **Edgecliff**

### **A Message from the Facility Manager – Simone Green**

Hello to all,

It's hard to believe another month has passed!

I am excited to announce the courtyard renovation will commence later this month. The first step will be fencing off the paved area outside the dining room door from the garden. Then the gardeners will be clearing the garden area. We look forward to the garden being completed by December. The entrance foyer is also due for refurbishment.

With the months getting warmer, don't forget to stay hydrated and drink plenty of water.

Until next month,

Simone Green
